Legende Strassenbau:

	Strassenvollausbau
	Gehwegvollausbau
	Betonflächen

Technical cross-section drawing of a road with a 3% longitudinal slope. The drawing shows a road with a central lane for vehicles (labeled 'Fahrbahn') and a sidewalk (labeled 'Trottoir'). The road surface is shown with a 3% slope. On the left, there is a 'Spundwand' (sheet pile wall) with a height of 3.42m. The road width is 7.50m. The sidewalk width is 3.50m. The total width of the road and sidewalk is 11.00m. The drawing includes various elevation points and dimensions for the road structure.
