Stand Amtliche Vermessung: 13. Mai 2016			

The map illustrates a proposed roundabout at the intersection of Hauptstrasse, Ipsachstrasse, Hübstrasse, and Allmendstrasse. Key features include:

- Hauptstrasse**: Running north-south through the center.
- Ipsachstrasse**: Running east-west, intersecting Hauptstrasse.
- Hübstrasse**: Running north-south, intersecting Ipsachstrasse.
- Allmendstrasse**: Running east-west, intersecting Hübstrasse.
- Grasgarte**: Located to the northeast of the main intersection.
- Chrützweg**: Located to the southeast of the main intersection.
- Friedhofweg**: Located further south, running parallel to Chrützweg.

Annotations and details include:

- Anpassung an Bestand**: Indicated at several points along the roads.
- Abbruch Vordach**: Removal of an awning on a building near the intersection.
- Ausnahmefall: Anordnung Typ IV B**: Exceptional case arrangement Type IV B, Achse Allmendstrasse - Ipsachstrasse.
- Gewerbe Nord-West**: Commercial area northwest of the intersection.
- Gewerbe Süd-West**: Commercial area southwest of the intersection.
- Querschnitt**: Cross-section diagrams showing lane widths (e.g., Trottoir, Fahrbahn, Schutzinsel).
- QR 1, QR 2, QR 3**: Specific cross-section locations marked on the map.
- NP 1, NP 2, NP 3**: Specific plan location markings.
- best. PP 17,30 m**: Existing width of a specific section.
- neue Breite ca. 6 x 2,50 m**: New width of a specific section.
- entw. ca. 6 x 2,50 m**: Planned width of a specific section.

A scale bar at the bottom left shows distances from 0 to 50 meters.
